Section 3 of 3

## The site and its audience and priorities

Description (optional)

### Key tasks and info

Describe the most important tasks and information that you think users arrive at the site looking to do or find. For each task or bit of info, tell us how often a user would likely come looking for that (e.g. daily, weekly, monthly, quarterly, etc.).

Long answer text

### Current challenges or pain points

Tell us about any important tasks or information that are difficult to accomplish or find on the current site.

Long answer text

### Anything else you'd like to tell us?

Let us know any other thoughts, concerns or questions you may have for us to consider as we redesign the site.
